(Pages 1- 49)**

Given a number of concerns expressed by Members about the above application, the Planning Committee agreed to defer a decision pending a site visit by a Planning Visiting Sub-Committee, to be convened subject to any Covid restrictions.

The purpose of the visit is to review the impact of the proposed development on the openness of the setting in the Green Belt, with a view to making recommendations to enable the Planning Committee to come to an informed decision at its meeting on 22 March 2021.
