2. 82 Amesbury Road Dagenham - 14/00510/FUL

The Development Control Board Visiting Sub-Committee met at the applicant's address, 82 Amesbury Road, Dagenham, to review and assess the implications of the planning application.

The Sub-Committee inspected the premises throughout and noted that the layout did not correspond with the existing plans for the premises that had been submitted by the applicant. The Sub-Committee decided that it was not able to properly understand the impact of the proposed development due to the building not being as described and, therefore, was not in a position to offer any views to the Development Control Board.
