

FORWARD PLAN

June 2007 Edition

Commencement Date: 01 June 2007

THE FORWARD PLAN

Introduction

The Forward Plan sets out information about future Council decisions. It also gives the public the opportunity to have their say on these decisions before they are taken.

Publication and inspection of the Plan

The Plan is published monthly. It is available for inspection, free of charge, at the reception desk at the Civic Centre, Dagenham. It is also available on the Council's website (www.lbbd.gov.uk) and directly via the link: <http://www.barking-dagenham.gov.uk/9-democracy/forward-plan/forward-plan-main.html> .

The Plan will be published on the following dates during the Council years 2006 / 2007 and 2007 / 2008:

Contents of the Plan

By law, councils have to publish a monthly Forward Plan. This has to contain available details of all “Key Decisions” the Council is aware will be taken by councillors or staff during the forthcoming four-month period. The term “Key Decision” is explained below.

Barking and Dagenham Council is committed to open government. It is encouraging local people to have their say on the decisions that affect them, their families and the community as a whole. It recognises that it is therefore important to provide as much information about these decisions as possible. As a result, Barking and Dagenham’s Forward Plan lists all decisions, not just “Key Decisions”, and looks as far ahead as possible, not just at the coming few months.

Key Decisions

A “Key Decision” is a decision that is likely to:

- (a) involve significant spending or savings and/or
- (b) have a significant effect on the community

In relation to (a), councils have to define which financial decisions are “significant” and, therefore, “Key.” Barking and Dagenham’s definition is spending or savings of £200,000 or more that is not in the Council’s Budget (the setting of the Budget is itself a Key Decision).

In relation to (b), a decision is, by law, “Key” if it is likely to have a significant impact on the community in two or more wards. However, in line with Government guidance, this Council treats a decision as “Key” if it is likely to have a significant impact on one or more ward.

Information included in the Plan

In relation to each decision, the Plan includes as much of the following information as is available when it is published:

- the subject matter
- the Member meeting/employee taking the decision
- the estimated date when a decision will be taken
- any groups/persons to be consulted before the decision is taken
- how any such consultation will be carried out
- a list of relevant documents to be submitted to the decision-taker in connection with the decision

How you can have your say

If you would like to comment on any matter included in the Plan please let me know as soon as you can. I will then ensure your comments are considered by those taking the decision.

THE FORWARD PLAN

Key to the table

Column 1 shows the **estimated date** when the decision will be taken and who will be taking the decision. However, an item shown on the Forward Plan may, for a variety of reasons, be deferred or delayed. It is suggested, therefore, that anyone with an interest in a particular item, especially if he/she wishes to attend the meeting at which the item is scheduled to be considered, should check within 7 days of the meeting that the item is included on the agenda for that meeting, either by clicking on <http://moderngov.barking-dagenham.gov.uk/ieListMeetings.asp?PageNo=2&Year=2007&Committeeld=180&J=4> (for items to be considered by the Executive) and <http://moderngov.barking-dagenham.gov.uk/ieListMeetings.asp?Cld=179&Year=2007&J=2> (for items to be considered by the Assembly), or by telephoning Alan Dawson, Democratic Services Team Manager, on 020 8227 2348.

Column 2 sets out the title of the report or subject matter, the nature of the decision being sought and a list of supporting papers (if any) to be presented with the report.

Key Decisions are listed in **bold type**. Other decisions are listed in normal type.

Column 2 also shows, in brackets, the initials of the Chief Officer proposing the decision as follows:

CE	= Chief Executive
CDACS	= Corporate Director of Adult and Community Services
CDChS	= Corporate Director of Children's Services
CDCuS	= Corporate Director of Customer Services
CDRes	= Corporate Director of Resources
CDReg	= Corporate Director of Regeneration
DDCorpFin	= Divisional Director of Corporate Finance

Columns 3 and 4 provide information available at the time the Plan was published. This information includes, respectively, any groups to be consulted by the Council before the decision is taken and how any such consultation will be carried out.

Column 5 specifies which Wards (if any) will be affected by the proposal.

The Plan also lists the Members involved in taking Key Decisions (see Appendix A)
