September 2013 Edition

Publication Date: 23 August 2013

THE FORWARD PLAN

Explanatory note:

Barking and Dagenham does not delegate the taking of key decisions to individual Members or officers. Therefore all decisions listed in the Forward Plan will belong to one of three decision-making bodies, the Cabinet, the Health and Wellbeing Board or the Assembly. For ease of reading, where this document refers to the 'decision-making body', this can be taken to mean the Cabinet, the Health and Wellbeing Board or the Assembly. In accordance with the Local Authorities (Executive Arrangements) (Meetings and Access to Information) (England) Regulations 2012 the full membership of these committees is listed in Appendix 1.

Key Decisions

By law, councils have to publish a document detailing "Key Decisions" that are to be taken by the Cabinet or other committees / persons / bodies that have executive functions. The document, known as the Forward Plan, is required to be published 28 days before the date that the decisions are to be made. Key decisions are defined as:

- (i) Those that form the Council's budgetary and policy framework (this is explained in more detail in the Council's Constitution)
- (ii) Those that involve 'significant' spending or savings
- (iii) Those that have a significant effect on the community

In relation to (ii) above, Barking and Dagenham's definition of 'significant' is spending or savings of £200,000 or more that is not already provided for in the Council's Budget (the setting of the Budget is itself a Key Decision).

In relation to (iii) above, Barking and Dagenham has also extended this definition so that it relates to any decision that is likely to have a significant impact on one or more ward (the legislation refers to this aspect only being relevant where the impact is likely to be on two or more wards).

As part of the Council's commitment to open government it has extended the scope of this document so that it includes all known issues, not just "Key Decisions", that are due to be considered by the decision-making body as far ahead as possible.

Information included in the Forward Plan

In relation to each decision, the Forward Plan includes as much of the following information as is available when it is published:

- the matter in respect of which the decision is to be made;
- the decision-making body (Barking and Dagenham does not delegate the taking of key decisions to individual Members or officers)
- the date when the decision is due to be made;

- the list of documents to be submitted to the decision-making body in relation to the matter under consideration (other documents may also be submitted to the decision-making body).

Publicity in connection with Key decisions

Subject to any prohibition or restriction on their disclosure, the documents referred to in relation to each Key Decision are available to the public. Each entry in the Plan gives details of the main officer to contact if you would like some further information on the item. If you would like to view any of the documents listed you should contact Alan Dawson, Democratic Services Manager, Civic Centre, Dagenham, Essex RM10 7BN (telephone: 020 8227 2348, email: committees@lbbd.gov.uk)

The agendas and reports for the decision-making bodies and other Council meetings open to the public will normally be published at least five clear working days before the meeting. For details about Council meetings and to view the agenda papers go to <http://moderngov.barking-dagenham.gov.uk/ieDocHome.asp?Categories> and select the committee and meeting that you are interested in.

The Plan will be published on or before the following dates during the 2013 / 2014 Council year:

Confidential or Exempt Information

Whilst the majority of the Cabinet's business at the meetings listed in this Forward Plan will be open to the public and media organisations to attend, there will inevitably be some business to be considered that contains, for example, confidential, commercially sensitive or personal information.

This is formal notice under the Local Authorities (Executive Arrangements) (Meetings and Access to Information) (England) Regulations 2012 that part of the meetings listed in this Forward Plan may be held in private because the agenda and reports for the meeting will contain exempt information under Part 1 of Schedule 12A to the Local Government Act 1972 (as amended) and that the public interest in withholding the information outweighs the public interest in disclosing it. Representations may be made to the Council about why a particular decision should be open to the public. Any such representations should be made to Alan Dawson, Democratic Services Manager, Civic Centre, Dagenham, Essex RM10 7BN (telephone: 020 8227 2348, email: committees@lbbd.gov.uk).

Key to the table

Column 1 shows the projected date when the decision will be taken and who will be taking it. However, an item shown on the Forward Plan may, for a variety of reasons, be deferred or delayed. It is suggested, therefore, that anyone with an interest in a particular item, especially if he/she wishes to attend the meeting at which the item is scheduled to be considered, should check within 7 days of the meeting that the item is included on the agenda for that meeting, either by clicking on <http://moderngov.barking-dagenham.gov.uk/ieListMeetings.aspx?CId=180&Year=0> (for items to be considered by the Cabinet), <http://moderngov.barking-dagenham.gov.uk/ieListMeetings.aspx?CId=669&Year=0> (for items to be considered by the Health and Wellbeing Board) and <http://moderngov.barking-dagenham.gov.uk/ieListMeetings.aspx?CId=179&Year=0> (for items to be considered by the Assembly), or by contacting Alan Dawson on 020 8227 2348 or alan.dawson@lbbd.gov.uk.

Column 2 sets out the title of the report or subject matter and the nature of the decision being sought. For 'key decision' items the title is shown in **bold type** - for all other items the title is shown in normal type. Column 2 also lists the supporting papers (if any) to be presented with the report and the ward(s) in the Borough that the issue relates to.

Column 3 shows whether the issue is expected to be considered in the open part of the meeting or whether it may, in whole or in part, be considered in private and the reasons why.

Column 4 gives the details of the lead officer for the item, or in the case of the Health and Wellbeing Board the Board Member who is the sponsor for that item.
