The drawing is for 1617 Whiting Avenue and depicts typical unit plans. The plans include living rooms, bedrooms, kitchens, hallways, shower/WC, and passing space. The drawing is to be read and checked in conjunction with engineers and other specialist drawings. The contractor is to check and verify all building and site dimensions, levels, and sewer invert levels at connection points before work starts. The drawing and the works depicted are the copyright of Reed Watts Architects and may not be reproduced except by written permission.
