

Part 3 – Officer Scheme of Delegation

Chapter 1 – Functions which are Delegated to Officers

This section sets out those functions which have been delegated to officers.

1. Powers of delegation

- 1.1 Non-executive functions are delegated to officers from the Assembly, Committees and Sub-Committees under section 101 of the Local Government Act 1972 and, in the case of licensing and gambling, under section 10 of the Licensing Act 2003 or section 154 of the Gambling Act 2005.
- 1.2 Executive functions are delegated to officers by the Leader or from the Cabinet under section 14 of the Local Government Act 2000.
- 1.3 Functions are delegated to the Director of Public Health under section 73A of the National Health Service Act 2006, as amended by the Health and Social Care Act 2012.

2. Basis of Delegation

- 2.1 Where the Assembly, a Committee or Sub-Committee, the Leader or the Cabinet has delegated a function to an officer, the person or body making the delegation may at any time resume responsibility for the function either in respect of a particular matter or generally, and so may exercise the function despite the delegation.
- 2.2 An officer to whom a power is delegated may refer the matter to the Chief Executive, or to the person or body making the delegation, for their determination. It will be appropriate for the officer to refer a matter:
 - (a) To the Chief Executive where the determination of the matter raises issues of corporate priorities or the co-ordination of the discharge of various functions of the Authority;
 - (b) To the person or body making the delegation where the determination of the matter is likely to be particularly controversial or raises issues of policy which it would be appropriate for Councillors to determine; or could, by its scale or complexity, expose the Council to major corporate risk which cannot be contained within Service Budgets.
- 2.3 In exercising any delegated powers, officers should ensure that decisions are consistent with Council policy, within approved spending limits, and in the best interests of residents and the Council as a whole. Councillors should be informed/consulted as appropriate depending on the nature and sensitivity of the decision.

3. Conflicts of Interest

- 3.1 Every officer is responsible for identifying whether he/she has any conflict of interest in any matter which is under consideration, actual or perceived, within the Authority, and for notifying the Authority (including under section 117 of the Local Government Act 1972).

- 3.2 Where an officer has a conflict of interest in any matter, he/she shall not participate in that matter in his/her capacity as an officer except with the prior approval of his/her line manager, the Monitoring Officer or the Chief Executive.
- 3.3 Where the Chief Executive is unable to act on a matter because of a conflict of interest, the matter shall be discharged by the Monitoring Officer. Where the Monitoring Officer is unable to act the matter shall be discharged by the Deputy Monitoring Officer.
- 3.4 Where a Strategic Leadership Director is unable to act on a matter because of a conflict of interest, the Chief Executive shall discharge the matter him/herself or allocate the matter to another officer.
- 3.5 Where the Monitoring Officer is unable to act on a matter in his/her statutory capacity under section 5 of the Local Government and Housing Act 1989, the matter shall be discharged by the Deputy Monitoring Officer.
- 3.6 Where the Monitoring Officer is unable to act on a matter in relation to Member conduct, the matter shall be discharged by the person appointed by the Monitoring Officer for this purpose under section 82A of the Local Government Act 2000.
- 3.7 Where any other officer is unable to act on a matter, that officer's line manager or the Chief Executive may arrange for another officer to discharge the matter.

4. Context for the Exercise of Functions

- 4.1 Except for matters reserved to the Assembly, to the Cabinet or to a Committee for decision, all other matters are delegated to the appropriate Chief Officer subject to the General Conditions and Limitations below and the Contract and Financial Rules. Each Chief Officer, in making decisions under this scheme, is required to do so within the internal scheme of management for their own directorate / service area. This will include appropriate monitoring arrangements and dissemination of information both internally and externally to the Council.

General Conditions and Limitations

- 4.2 In taking any decision, each officer must ensure that they have acted in a considered, well informed and defensible manner which is in the best interests of the Council and its residents. The more significant the decision, the greater the obligation to demonstrate that appropriate consideration has been given to the way the decision was made.
- 4.3 As a general rule all decisions will need to be made with a full understanding of Council policy relating to the decision, an awareness of relevant legal obligations including equality requirements, and a clear assessment of the impact of the decision on those affected. Decisions will also need to be consistent with the Council's Budget strategy and will need to be effectively risk assessed.
- 4.4 The obligation to ensure that these issues are properly understood rests with decision makers. Where doubt exists advice must be taken from those officers

- who are professionally qualified to give advice, such as the Council's Monitoring Officer and Chief Financial Officer. Officers must not commit the Council to a course of action which will entail financial obligations beyond those approved by the Council.
- 4.5 Where the decision is politically sensitive or likely to affect significant numbers of residents, decision makers are under a general obligation to consult with those from whom the decision is delegated and Members where appropriate. Where realistic choices exist and where good practice would suggest it to be appropriate, public consultation should be undertaken after consulting with appropriate Members.
- 4.6 No officer, other than the Director of Law and Governance, shall authorise or institute any legal proceedings or process or instruct legal agents or Counsel without the prior written consent of the Director of Law and Governance.
- 4.7 The powers delegated to officers shall not include the power to take a Key Decision, except in the following cases:
- (a) in relation to contracts with a value between £200,000 - £500,000 in accordance with the Council's Contract Rules;
 - (b) where the Cabinet or HWBB has specifically delegated the responsibility to an officer;
 - (c) where the Chief Executive considers that the matter is so urgent that it is appropriate to take a Key Decision, in line with the Urgent Action provisions in Part 2, Chapter 16 of this Constitution or other emergency provisions within the Constitution.
- 4.8 This Scheme of Delegation is set out, as far as possible, in terms of broad areas of responsibility rather than in terms of specific statutory powers. The Chief Executive shall be responsible for co-ordinating the discharge of the Council's functions between the various officers.
- 4.9 The Chief Executive may allocate or re-allocate responsibility for functions between officers as necessary for the effective discharge of those functions or to cover absence of particular officers.
- 4.10 Where an officer is going to be absent for a period of time, the appropriate line manager may re-allocate responsibility for that officer's functions as necessary to ensure the effective discharge of those functions during the officer's absence. Where the Chief Executive is going to be absent for a period of time then responsibility for the Chief Executive's functions, as necessary, shall be allocated to the designated Deputy Chief Executive, unless otherwise allocated by the Chief Executive. Where the designated Deputy Chief Executive is also absent the Chief Executive functions shall be discharged by the Directors collectively, or by such officer as they shall determine for this purpose.
- 4.11 Where a function is delegated to a Director, it shall also be exercisable by the Chief Executive and relevant Strategic Leadership Director. Where a function is delegated to a Strategic Leadership Director or Director it shall also be exercisable by the Chief Executive, except the functions of Monitoring Officer

and Chief Financial Officer. Where a function is stated to be specifically delegated to a particular officer, that function shall not be exercised by any other officer except in accordance with this Scheme.
