Recommendation

That the Sub-Committee considers the content of this report and appendices, together with any oral submissions given at the hearing, and determines the application.

Reason(s)

Under the Licensing Act 2003 the Council, as Licensing Authority for the area, has a duty to consider and determine each valid application submitted.

1. Introduction and Background

1.1 The Licensing Act 2003 (the “Act”) established the national licensing regime for

- The sale and supply of alcohol
- Regulated entertainment
- Late night refreshment

1.2 Under the Act, any person wishing to use any premises to provide one or more of the above licensable activities must firstly obtain a premises licence from the local licensing authority for the area. If the licence is intended to include the sale and
supply of alcohol, then the licence must name a ‘Designated Premises Supervisor’ (DPS) who holds a personal licence issued by the local licensing authority for the area within which they live.

1.3 Applications for premises licences are made subject to public consultation. During the consultation period, it is open to any ‘responsible authority’ or ‘other person’ to make representations concerning the application. Representations must relate to one or more of the four licensing objectives. These are:

- The prevention of crime and disorder
- Public safety
- The prevention of public nuisance
- The protection of children from harm

1.4 Where representations are received, and these are neither conciliated or withdrawn, then the local licensing authority must hold a public hearing to determine the matter.

- Sunday – Thursday 12:00 - 02:00
- Friday – Saturday 12:00 - 05:00

2.3 The Designated Premises Supervisor (DPS), intended to hold overall responsibility for authorising alcohol sales made at the premises, is the applicant, Kelly Collins, who holds a personal licence issued by the London Borough of Redbridge.

2.4 A copy of the application is attached as Appendix A to this report. Section 18 of the application sets out the range of measures proposed by the applicant to promote the four licensing objectives and to form the basis of the conditions of any licence granted, together with the mandatory conditions set out within the Act.

The representations

The Metropolitan Police have asked the applicant to agree to additional conditions and to reduce the hours during which alcohol will be delivered.

3. **Options Appraisal**

3.1 The Sub-Committee is advised that the hearing is of a quasi-judicial nature and representations from all parties, both written and verbal, will form part of the matters that are to be considered.

3.2 The Sub-committee is required to consider each application on its own individual merits with all relevant matters taken into account. Findings on issues of fact should be on the balance of probability.

3.3 Having considered the application, the representations and all relevant submissions, the Sub-Committee must decide what action is appropriate to promote the licensing objectives. In doing so the Sub-Committee may decide either to grant, part-grant or refuse the application.

3.4 Any licence granted must be made subject to the mandatory licence conditions established by the Act and to conditions consistent with the measures proposed by the applicant to promote the licensing objectives (as amended by any conciliation process).

3.5 Any licence granted may be subject to additional conditions considered appropriate by the Sub-Committee to promote the licensing objectives.

3.6 In reaching its decision, the Sub-Committee must have regard to:

- The Act;
- Secondary regulations;
- The Guidance issued to Local Licensing Authorities by the Home Office (current version April 2018); and

3.7 The options open to the Committee are:

- To grant the application;
- To refuse to grant the application; or
- To grant the application subject to additional conditions.
