Dear Mr Naylor,

Invitation to opt into the national scheme for auditor appointments from April 2023

I want to ensure that you are aware the external auditor for the audit of your accounts for 2023/24 has to be appointed before the end of December 2022. That may seem a long way away but, as your organisation has a choice about how to make that appointment, your decision-making process needs to begin soon.

We are pleased that the Secretary of State has confirmed PSAA in the role of the appointing person for eligible principal bodies for the period commencing April 2023. Joining PSAA's national scheme for auditor appointments is one of the choices available to your organisation.

In June 2021 we issued a draft prospectus and invited your views and comments on our early thinking on the development of the national scheme for the next period. Feedback from the sector has been extremely helpful and has enabled us to refine our proposals which are now set out in the [scheme prospectus](#) and our [procurement strategy](#). Both documents can be downloaded from our [website](#) which also contains a range of useful information that you may find helpful.

The national scheme timetable for appointing auditors from 2023/24 means we now need to issue a formal invitation to you to opt into these arrangements. In order to meet the requirements of the relevant regulations, we also attach a form of acceptance of our invitation which you must use if your organisation decides to join the national scheme. We have specified the five consecutive financial years beginning 1 April 2023 as the compulsory appointing period for the purposes of the regulations which govern the national scheme.

Given the very challenging local audit market, we believe that eligible bodies will be best served by opting to join the scheme and have attached a short summary of why we believe that is the best solution both for individual bodies and the sector as a whole.

I would like to highlight three matters to you:

1. if you opt to join the national scheme, we need to receive your formal acceptance of this invitation by Friday 11 March 2022;

2. the relevant regulations require that, except for a body that is a corporation sole (e.g. a police and crime commissioner), the decision to accept our invitation and to opt in must be made by the members of the authority meeting as a whole e.g. Full Council or equivalent. We appreciate this will need to be built into your decision-making timetable. We have deliberately set a generous timescale for bodies to make opt in decisions (24 weeks compared to the statutory minimum of 8 weeks) to ensure that all eligible bodies have sufficient time to comply with this requirement; and
3. if you decide not to accept the invitation to opt in by the closing date, you may subsequently make a request to opt in, but only after 1 April 2023. We are required to consider such requests and agree to them unless there are reasonable grounds for their refusal. PSAA must consider a request as the appointing person in accordance with the Regulations. The Regulations allow us to recover our reasonable costs for making arrangements to appoint a local auditor in these circumstances, for example if we need to embark on a further procurement or enter into further discussions with our contracted firms.

Tony Crawley
