

HEALTH AND WELLBEING BOARD

15 March 2022

Title:	BHR Joint Strategic Needs Assessment 2021-22 Update
Report of the Cabinet Member for Social Care and Health Integration	
Open Report	For Information
Wards Affected: All	Key Decision: No
Report Authors: Wassim Fattahi-Negro, Principal Manager Performance & Intelligence Jane Leeman, Interim Public Health Consultant	Contact Details: E-mail: Wassim.FattahiNegro@lbbd.gov.uk E-mail: Jane.Leeman@lbbd.gov.uk
Lead Officer: Chris Bush, Commissioning Director for Children's Care and Support; Matthew Cole, Director of Public Health	
Accountable Strategic Leadership Director: Elaine Allegretti, Director of People and Resilience	
Summary: An update to apprise the board on the delivery of BHR Joint Strategic Needs Assessment 2021-22, where the London Boroughs of Barking and Dagenham, Havering and Redbridge collaborate to meet this statutory requirement via the production of three individual needs assessments, each of which mirror the other ones in both format and content whilst offering a localised and detailed view of the health needs in each borough. The production of the BHR Joint Strategic Needs Assessment is further enhanced by an online mapping tool that allows stakeholders to further interrogate and access relevant data. Following on the completion of the key chapters forming the core part of the assessment, contributors from the three boroughs are now working on writing a master edition (Havering's edition) of the needs assessment which is then mirrored at a local level so to also produce two further versions one for Barking and Dagenham and another for Redbridge. The original timetable for the delivery of the 2022 iteration of the assessment and the online tool was set for the 31 st of March 2022; the latter is now updated and available online at https://bhrsna.communityinsight.org/map/ ; The former, and due to logistical delays in finalising the draft document across the three boroughs remains in an advanced draft status, the publication timetable is therefore postponed by approximately three months and is the publication date is now set for June 2022.	

This postponement is necessary to ensure that Barking and Dagenham JSNA remains in alignment with Havering and Redbridge ones.

The board will be apprised with the latest development regarding the delivery and publication of the 2022 iteration of the Joint Strategic Needs Assessments including the revised timetable and sign off process.

Recommendation(s)

The Health and Wellbeing Board is recommended to:

- i. note the report and
- ii. feedback considerations on the current development framework and provide directions if required.

Reason(s)

Offering an update on the delivery of the BHR JSNA 2022
