Hi Graham,

Thank-you for sending in a revised proposal on the hours for the premises.

I am not in a position to accept these proposals and it is felt that the hours suggested in our earlier email conversation, and also within my representation are reasonable and best suited for the locality.

Kind Regards,

Hi Bola

As per Owen and Chris representations, I maintain and concur with the unanimously ( Owen and Chris) proposed hours and as stated in my previous emails.

Regards  
Mohammed
