

The Core20PLUS5 Approach

[Core20PLUS5](#) is a national NHS England approach to inform action to reduce healthcare inequalities at both national and system level. The approach defines a target population – the ‘Core20PLUS’ – and identifies ‘5’ focus clinical areas requiring accelerated improvement.

The approach, which initially focussed on healthcare inequalities experienced by adults, has now been adapted to apply to [children and young people](#). The infographics below provide a summary for both.
