### 1. Introduction and Background

- 1.1 The Care Act 2014 requires that local partners must co-operate around the protection of vulnerable adults at risk of abuse or neglect.

- 1.2 The Care Act 2014 identifies six key principles that should underpin all safeguarding work. These are accountability, empowerment, protection, prevention, proportionality and partnership.
- 1.3 The Safeguarding Adults Boards is made up of three statutory partners who are the Local Authority, the Police and the NHS Integrated Care Board. The Barking and Dagenham Safeguarding Adults Board also includes representation from other key local partner organisations and these are Barking Havering Redbridge University Trust (BHRUT), North East London Foundation Trust (NELFT), the London Fire Brigade, the Probation Service, the chairs of the SAB's committees and other key officer advisors.
- 1.4 The objectives of the SAB are to:
- Ensure that local safeguarding arrangements are in place as defined by the Care Act 2014.
  - Embed good safeguarding practices, that puts people at the centre of its duties.
  - Work in partnership with other agencies to prevent abuse and neglect where possible.
  - Ensure that services and individuals respond quickly and responsibly when abuse or neglect has occurred.
  - Continually improve safeguarding practices and enhance the quality of life of adults in the local area.
- 1.5 All Safeguarding Adult Boards are required to produce an Annual Report. The Barking and Dagenham SAB have produced the Annual Report attached with contributions from all partners of the Board.

## **2. Proposal and Issues**

- 2.1 The Annual Report includes a foreword by the Independent Chair of the Board, information about the Board structure and its committees, safeguarding data, the activity of the Board and of its partner agencies, quality assurance information, and comment on how the Board will review and set its priorities going forward in light of system wide safeguarding issues.
- 2.2. Key achievements of the Board in 2022/23 include the work of the three committees. The Performance and Assurance Committee, which is chaired by the London Borough of Barking and Dagenham, has worked to improve the engagement from all partners and is presenting meaningful data and analysis to the Board on a quarterly basis. The Safeguarding Adults Review (SAR) Committee, which is chaired by the NHS Integrated Care Board (ICB), published two Safeguarding Adult Reviews in 2022. The Committee has reviewed several cases against the SAR criteria and looked at wider learning from local and national cases. Learning has taken place across the partnership around the themes of self-neglect and hoarding, mental health, drug and alcohol dependence and services. The SAB also now has representation from the Care Provider Voice.
- 2.3 The Adult Safeguarding Adult Complex Cases Group is chaired by the Council's Principal Social Worker for Adults Social Care and Strategic Lead for

Safeguarding Adults and there is representation from all partners across the partnership as well as front line staff who are supporting service users. The group discusses complex cases where there are safeguarding risks that need to be managed across more than one agency. Professionals from any partner agency can refer a case into the meeting.

- 2.4 The Board has continued to have excellent engagement and commitment from all partners.
- 2.5 The three statutory partners (LBBD, NHS ICB and Police) all made financial contributions to support the work of the Board. The Police contributed £5,000, the NHS ICB £30,000 and the Council covered staffing costs of the Independent Chair, support staff and any other work such as SARs and learning events.
