Subject: PREMISES License application Selinas Lane

Dear Chris,

Thank you for your thorough evaluation. We appreciate the considerations regarding noise impact. It's important to note that our venue is situated 250 meters away, not 80 meters as mentioned, from the street, which is a substantial distance that significantly minimizes the likelihood of noise disturbance to nearby residents. See the satalite view showing the our venue and the mentoned street

Your insights are valuable, and we're committed to ensuring a positive coexistence with the community. For late events we plan to have security controlling traffic parking and noise levels. Thank you for your understanding and consideration."

Kind Regard
Fola
