

FORWARD PLAN

October 2004 Edition

Commencement Date: 14 October 2004

THE FORWARD PLAN

Introduction

The Forward Plan sets out information about future Council decisions. It also gives the public the opportunity to have their say on these decisions before they are taken.

Publication and inspection of the Plan

The Plan is published monthly. It is available for inspection, free of charge, at the reception desk at the Civic Centre, Dagenham. It is also available on the Council's website (www.lbbd.gov.uk).

The Plan will be published on the following dates during the Council year 2004 / 2005:

Edition	Publication date
October edition	29 September 2004
November edition	20 October 2004
December edition	17 November 2004
January edition	22 December 2004
February edition	19 January 2005
March edition	16 February 2005
April edition	17 March 2005

Contents of the Plan

By law, councils have to publish a monthly Forward Plan. This has to contain available details of all “Key Decisions” the Council is aware will be taken by councillors or staff during the forthcoming four-month period. The term “Key Decision” is explained below.

Barking and Dagenham Council is committed to open government. It is encouraging local people to have their say on the decisions that affect them, their families and the community as a whole. It recognises that it is therefore important to provide as much information about these decisions as possible. As a result, Barking and Dagenham’s Forward Plan lists all decisions, not just “Key Decisions”, and looks as far ahead as possible, not just at the coming few months.

Key Decisions

A “Key Decision” is a decision that is likely to:

- (a) involve significant spending or savings and/or
- (b) have a significant effect on the community

In relation to (a), councils have to define which financial decisions are “significant” and, therefore, “Key.” Barking and Dagenham’s definition is spending or savings of £200,000 or more that is not in the Council’s Budget (the setting of the Budget is itself a Key Decision).

In relation to (b), a decision is, by law, “Key” if it is likely to have a significant impact on the community in two or more wards. However, in line with Government guidance, this Council treats a decision as “Key” if it is likely to have a significant impact on one or more ward.

Information included in the Plan

In relation to each Key Decision, the Plan includes as much of the following information as is available when it is published:

- the subject matter
- the Member meeting/employee taking the decision
- the estimated date when a decision will be taken
- any groups/persons to be consulted before the decision is taken
- how any such consultation will be carried out
- a list of relevant documents to be submitted to the decision-taker in connection with the decision

How you can have your say

If you would like to comment on any matter included in the Plan please let me know as soon as you can. I will then ensure your comments are considered by those taking the decision.
