• 90% of service users have a health action plan in place

IMPROVEMENT PLAN

• CLDT support through data validation, monitoring, training and visiting GP practices;
• Empowering service users and providers to ask for health checks and understand what to expect;
• Attendance at Primary Care Improvement Group, with forums of practice managers, GPs, and practice nurses – validate proposed actions;
• LDPB to receive an update at each of their meetings.
Other amber areas...

- Cancer screening programmes
- Offender health and the criminal justice system
- Housing provision for people with Autism
- Autism Diagnostic Pathway and publicising the pathway
- Accurate reporting of autism on the social care database
Transforming Care: The Winterbourne View Concordat

Reduce the number of people residing inappropriately in specialist learning disability and autism hospitals and services.

Reduce the length of stay in these services (where appropriate).

Improve the quality of care in these services.

At the start of the register in April 2013:
6 people

Since then, 10 people have been discharged and 8 people admitted…

Now 4 people on the register:
3 individuals from 2013/14
1 individual from 2015/16

0 readmissions and performing above London average for discharges
Transforming Care: The Next Steps

**Gate-keeping** to Assessment and Treatment Units

Development of an ‘At Risk Register’

Establishment of the **Transforming Care Partnership**:

- Announced in October 2015;
- Aims to close 40 – 65% of all hospitals, bring more people into the community and commission services to meet local needs;
- Set up to coordinate, commission and challenge. Across BHR and includes LAs, CCGs, providers and service users;
- Currently drafting local plan and taking to LDPB in February.
