The Forward Plan lists all known business items for meetings scheduled for the coming year. The Forward Plan is an important document for not only planning the business of the Board, but also ensuring that information on future key decisions is published at least 28 days before the meeting. This enables local people and partners to know what discussions and decisions will be taken at future Health and Wellbeing Board meetings.

Attached at Appendix A is the next draft edition of the Forward Plan for the Health and Wellbeing Board. The draft contains details of future agenda items that have been advised to Democratic Services at the time of the agenda’s publication.

The Health and Wellbeing Board is asked to:

a) Note the draft Health and Wellbeing Board Forward Plan and that partners need to advice Democratic Services of any issues or decisions that may be required, in order that the details can be listed publicly in the Board’s Forward Plan at least 28 days before the next meeting;

b) To consider whether the proposed report leads are appropriate;

c) To consider whether the Board requires some items (and if so which) to be considered in the first instance by a Sub-Group of the Board;

d) Note that the next issue of the Forward Plan will be published on 24 March 2016. Any changes or additions to the next issue should be provided before 6.00 p.m. on 21 March.
