

Examples of high priority buildings provisionally included in the Townscape Heritage project with indicative elevation drawings.

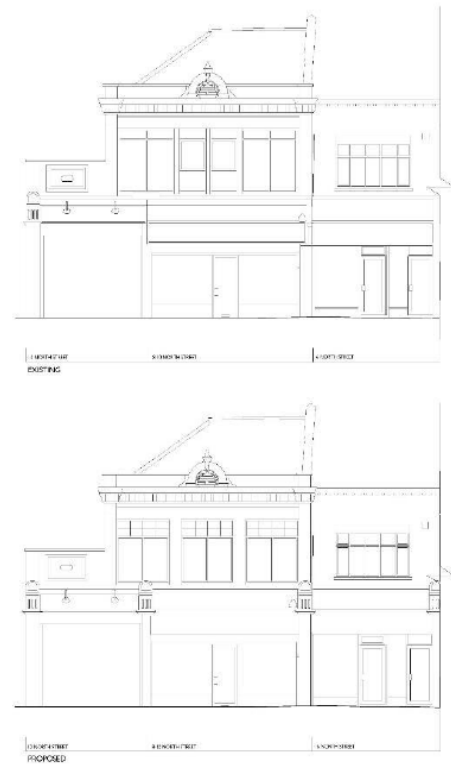

1-9 Station Parade – High Priority

East Street, Barking, c.1934. The junction of Ripple Road and London Road, had recently been converted into a pedestrian precinct with the opening of Village Field Shopping Centre. Bucky's Bank and the Brewery Tap still occupy the same sites.

## 6-12 North Street – High Priority

Early ideas for landscaping improvements and interventions outside the entrance to the Curfew Tower, creating better connections between fragmented spaces around North Street and East Street.
