Summary: The Forward Plan lists all known business items for meetings scheduled for the coming year. The Forward Plan is an important document for not only planning the business of the Board, but also ensuring that information on future key decisions is published at least 28 days before the meeting. This enables local people and partners to know what discussions and decisions will be taken at future Health and Wellbeing Board meetings. Attached at Appendix A is the next draft edition of the Forward Plan for the Health and Wellbeing Board. The draft contains details of future agenda items that have been advised to Democratic Services at the time of the agenda's publication.	
Recommendation(s) The Health and Wellbeing Board is asked to: (i) Note the draft November 2017 edition of the Health and Wellbeing Board Forward Plan; (ii) Consider whether the proposed report leads are appropriate; (iii) Indicate whether any of the items should be considered in the first instance by a Sub-Group of the Board.
