Annex 1 - Mandatory conditions

To comply with all the regulations under the Licensing Act 2003.

1. All reasonable steps shall be taken to ensure that staff do not carry out, arrange or participate in any irresponsible promotions. Such promotions are attempted to be defined quite widely to include games encouraging the consumption of quantities of alcohol; providing quantities of alcohol free or for a fixed or discounted fee; provision of free or cheap alcohol as a prize; provision of free or cheap alcohol related to viewing sporting events in certain circumstances; provision of alcohol in association with promotional posters/fliers in the vicinity of premises in certain circumstances.

2. Prevention of alcohol being dispensed directly by one person into another's mouth, i.e. the so called 'dentist's chair'.

3. The provision of free tap water on request.

4. An Age Verification Policy.

To operate ‘An Age Verification Policy’. This policy must make sure that customers who appear to staff to be under 18 years of age (or any older age specified in your own policy or in schemes such as Challenge 21 and 25) are asked to show ID with:
• Their photograph;
• Their date of birth; and
• A holographic mark.

This must be done before they are served alcohol, to prove that they are old enough to buy it. This condition is intended to ensure that all licensed premises operate at a minimum standard of due diligence to ensure they do not sell alcohol to minors. Premises that are already operating age verification policies (such as: No ID No Sale, Challenge 21, Challenge 25 or Challenge 30) do not have to take any additional action to comply with the condition.

However, for practical reasons, the specific terms of the age verification policy, only applies in situations where the sale takes place face to face. Companies that sell alcohol remotely (distance sellers) for example, online or by mail order, should also operate an age verification policy. But as the transaction takes place remotely, the condition does not mean that photo ID needs to be shown at the point of delivery if age verification has taken place already via another means. Under Section 151(6) of the Licensing Act 2003, alcohol can be delivered to an under 18 as long as the delivery is made to the home or office address of an adult who made the order.

Acceptable forms of identification for the age verification conditions are:
• Passport;
• Photocard Driver’s Licence;
• Cards issued by local schemes that have been verified through the Proof of Age Standards Scheme (PASS) and bear the official PASS hologram; and
• National Identity Card.

5. Providing alcohol in small measures, eg spirits: 25 ml or 35 ml; and a glass of wine: 125ml.
