Appendix A: Indicators for HWBB - 2018/19 Q1

|         |   |
|---------|---|
|         | Data unavailable due to reporting frequency or the performance indicator being new for the period         |
| ..      | Data unavailable as not yet due to be released  |
|         | Data missing and requires updating  |
|         | Provisional figure  |
| DoT     | The direction of travel, which has been colour coded to show whether performance has improved or worsened |
| NC      | No colour applicable  |
| PHOF    | Public Health Outcomes Framework  |
| ASCOF   | Adult Social Care Outcomes Framework  |
| HWBB OF | Health and Wellbeing Board Outcomes Framework   |
| BCF     | Better Care Fund  |
| SRG     | Systems Resilience Group  |

Note: where 2017/18 and quarter 4 data are available and differ, DoT arrow and RAG rating are for quarter 4 data. DoT for quarter 1 data relates to direction of travel from quarter 4 data.

Note: benchmarking data uses the same time period as the most recent data point for Barking and Dagenham except where otherwise indicated
