----------------------	--	--	-------------------

Definition	Numerator	Number of A&E attendances where the time to admission, transfer or discharge is 4 hours or less	How this indicator works	This indicator shows the proportion of people attending A&E who are admitted, transferred or discharged within 4 hours. It describes a provider rather than a population. The figures below are for Barking, Havering and Redbridge University Hospitals NHS Trust, which runs A&Es at King George Hospital and Queen's Hospital. The figures are not specific to residents of Barking and Dagenham, and Barking and Dagenham residents may also attend A&Es run by other trusts.
	Denominator	Total number of A&E attendances		
Source		NHS England	Why is this indicator important?	The Handbook to the NHS Constitution pledges that individuals should face a maximum wait of 4 hours from arrival in A&E to admission, transfer or discharge.
What does good performance look like?		For the proportion to be as high as possible and above the target of 90%
