Develop a new borough wide Private Licensing Scheme to be agreed by MHCLG.	Fiona Taylor	<p>The Councils application to introduce a boroughwide selective licensing scheme was approved by the Secretary of State and will start from 1st September 2019. This is a fantastic achievement and means that LBBDD are the first council in the country to have a whole borough scheme approved by the Secretary of State. Discussions have taken place with MHCLG who praised LBBDD on the quality of their submission. Some restructuring and shifts in staff capacity are currently underway to ensure that LBBDD is ready for administering the new scheme and that the move to focus more on enforcement of non-compliant landlords is managed effectively.</p> <p>In addition, the implementation of the online application and back office system (Metastreet) has been successfully commissioned and we are in the process of testing and rolling it out. The system will allow for start to end integration for landlords allowing them to make an application, payment and check the status of their application. The system will integrate back office and front-line functions and enables officers to work remotely and update inspection reports whilst they are out in the field. The new process will be paperless and will create significant efficiencies within the team. The systems are integrated and will mean the council operate paperless creating efficiencies within the service by operating totally remotely.</p>
Implement the Parking Strategy and agreed subsequent parking schemes.	Fiona Taylor	The parking fees and charges report was adopted in July 2018 and set out a range of changes to the charging structure for pay and display, permits and the introduction of a diesel surcharge. Strengthen the understanding of corporate parenting responsibility with every Member playing their part.	Elaine Allegretti	<p>The new targeted operating model has a new approach to Corporate Parenting and Permanence, the aim being for children and young people to have less transition points, good quality well supported placements and achieve permanency without delay. Children in care and care leavers will experience a service where key parts of the Council and our Health and education partners have the highest aspirations for all.</p>

Key Accountability	Strategic Director	Quarter 1 2019/20 Update
		<p>The enhanced local offer for care leavers has now been signed off at Cabinet which evidences the Council's ambition to be the best corporate parent we can be. The Chief Exec will officially Launch this at the October Care leavers awards. The offer includes dispensation from Council tax and specific championing work for UASC.</p> <p>Group membership for Corporate Parenting Board has been reviewed and all new members have been fully inducted, and each key promise is being led by a member. The LAC nurses will now move into the Care service and Liquid logic systems improved and we are seeing some improvements all be it slow. CAMHS are now providing a consultation line as well as drop in service to Care and support offices so referrals can be discussed, and children sign posted to the correct services.</p> <p>We are beginning to see improvements in placements stability, adoptions rates and care leavers that are NEET over the last 12 months.</p>
Develop strategy and proactive campaign of work to end loneliness.	Elaine Allegretti	This work remains in development and forms part of discussions with ComSol and at the Adults' Improvement Board.

Elaine Allegretti	<p>The Review of School Places and Capital Investment which sets out forecast demand for pupil places and how the Council intends to use capital grants to fund new school places was considered and approved by Cabinet on 16 July 2019.</p> <p>The report sets out the high level of demand seen across London and that a new forecasting model has been developed over the past 12 months which will better indicate the numbers and types of SEND likely to be received over the next five years. It indicates the importance of identifying a further site in Barking for a primary school and a site in the borough for another Special School.</p> <p>The Education and Skills Funding Agency (ESFA) have successfully re-brokered Thames Bridge school for Social Emotional and Mental Health (SEMH) needs. In terms of major repairs and improvement works to schools, the Summer 2019 programme is developed where projects will be delivered by MyPlace.</p>
<p>Improve engagement with young people to incorporate their voices into Council policy.</p>	<p>Elaine Allegretti</p>	<p>A top priority across Care and Support is to strengthen children's' voices in social work practice and to focus on improving the lived experience of the child in all areas of Care and Support.</p> <p>The Principal Social Worker (PSW) has led a voice of the child group of practitioners which involved an event for children in care at the Vibe, where they were able to feed back their views about their journey in services. This has now led to a <i>'lived experience of the child'</i> group who are tasked to build participation and feedback of children into the development of CS. The PSW also led a whole service session on direct work where a child in preventative services and a care leaver were able to share their experiences of direct work with their practitioner.</p> <p>The 2019 BAD Youth Forum has been elected with over 8000 votes cast. 		<p>The issue of contextual safeguarding was explored by 9 schools at a Young People's Safety Summit, with intelligence around safe and unsafe spaces in schools shared with schools and key partners which continues to be used. The Summit is to be repeated in late 2019 to further inform contextual safeguarding practice.</p> <p>The borough has embedded its Youth Information Advice and Guidance group, based on a Redbridge model of good practice in engaging young people with the Police in an ongoing dialogue.</p> <p>'VotesforSchools' is providing over 90% of schools with access to resources that encourage debate and a weekly ballot. The Council has access to voting patterns and results, providing key data on local young people's views on a wide range of themes.</p> <p>The annual survey of Looked after Children has been conducted with 100 responses received. A takeover event of Members' Corporate Parenting Group took place in July which discussed the results as well as establish young people's priorities for the year.</p> <p>The systematic incorporation of child voice at all levels practice to strategic remains a local priority and as a result will form a key plank of new multi-agency safeguarding arrangements for the local safeguarding board which will include work with children and families to assess local strengths and what needs to be different in our local approach to children's and family voice and advocacy.</p>

		school to work transition. This will be set out in a new Inclusive Growth strategy, with a first draft due in the autumn.
Agree a strategic and practical level approach to business and employer engagement.	Graeme Cook Tess Lanning	We launched a new Business Forum in Q1, with quarterly events and a newsletter to better engage local businesses, supported by a steering group of local business leaders. We are developing a shared database of all local businesses and conducting research to identify how we can encourage more of them to grow and offer more good jobs, training and work experience to residents.
Continue development of clear progression pathways and post-18 opportunities for young people.	Mark Fowler	Focussed worked has been agreed with the head of employment & skills now part of the NEET panel. Relationships are also developing with colleagues from looked after children (LAC).
Hold a series of events to promote employment opportunities to local residents.	Mark Fowler	We held 2 job fairs up to the end in the first quarter, with a further 3 planned in quarter 2. Our ambition is to hold 5 event more than last year.
Monitor the impact of the Universal Credit roll out and address any emerging issues.	Mark Fowler	<p>Monthly monitoring continues, although owing to limited information sharing from the department of works and pensions (DWP) precise impacts are difficult to track. What we have found is that the number of residents applying for council tax support (CTS) is reducing due to needing to apply for UC and CTS.</p> <p>In relation to tracking housing rents of those in receipt/applying for UC we have seen an impact in collection levels, with UC council tenants now in arrears at an average of £831 per account, compared to £118 of those in receipt of housing benefit.</p> <p>A review of the wider impacts to the council started in April 2019, which is set to conclude in July 2019 with the findings if required reflected, in the medium-term financial strategy.</p>
Regeneration and Social Housing		
Deliver the Be First regeneration and housing pipeline.	Graeme Cooke	Be First is making strong progress in accelerating the pace and scale of regeneration in the borough. The company's latest business plan sets out plans to build over 3,000 new homes by April 2024, over 70% of which will be affordable (i.e. rented or shared ownership at lower than market prices, including a substantial proportion at council comparative rents). Be First is also focusing on securing key socio-economic benefits

		for residents, such as through strong local labour clauses in its framework contracts for construction activity.
Work with Be First to identify further, future regeneration and development opportunities.	Graeme Cooke	Be First has increased its projected housing delivery from around 2,200 when the company was first established to over 3,000 now (for delivery by April 2024). In addition, Be First has progressed a number of strategic regeneration projects – such as the film studios in Dagenham East and attracting the relocation of London’s wholesale markets to Barking and Dagenham.
Identify the need and demand for future housing supply, to inform the Local Plan and commissioning intentions for Be First.	Graeme Cooke	A Strategic Housing Market Assessment has been completed to identify future housing supply needs based on population change – and Be First are updating the long-term housing trajectory as part of producing a draft Local Plan (which will go to Cabinet and then public consultation by the end of the year). Further detailed work is taking place to assess future demand for specialist accommodation for vulnerable residents.
Transition Reside to the next phase of delivery, ready to let, manage and increase the number of affordable homes.	Graeme Cooke	A new independent Board for Reside has now been in operation for over six months, along with the new Managing Director. A commissioning mandate for Reside has been drafted to provide a policy framework within which a new business plan for Reside is being produced (due to go to Cabinet in October). Work continues on the development of a registered provider arm within the Reside structure, based on an approval in principle from Cabinet in January 2019.
Agree key policies and strategies for Reside.	Graeme Cooke	A comprehensive review of Reside’s policies – and the legal framework underpinning them – has been undertaken. Key elements of this have been incorporated into a commissioning mandate for Reside, which clarifies the council’s objectives for the company and the parameters within which it operates. The company is in the process of drafting its business plan to set out how it will deliver on the council’s objective over the coming years.
Update allocations policy for HRA and Reside properties.	Graeme Cooke	The Cabinet approved a series of changes to the allocations policy for HRA and Reside homes in January, which was then subject to a public consultation. A further report is being prepared which will ask Cabinet to give final approval to the new policy, taking on board the consultation responses. A key aim of these changes is to make it easier for local working residents on low incomes to access Reside homes.
Deliver the Sustainable Housing Project and shape the future of the Street Purchasing Programme.	Graeme Cooke	A decision has been taken not to proceed with the implementation of the Sustainable Housing project. Work is underway to finalise the purchase of all the identified street

		properties and to determine their future use (with as many as possible set to be used for care leavers and other vulnerable groups of residents).
Agree property standards across new and existing HRA and Reside properties.	Graeme Cooke	The council has agreed a consolidated set of Employers Requirements for all future new build developments (with agreed protocols for any variations). Work is underway to explore how these new build principles could be applied to the council's existing housing stock, as a more ambitious set of housing standards beyond Decent Homes (including to assess the financial implications of these standards).
Agree a new Corporate Asset Management Strategy (CAMS), shaping a long-term investment plan, based on the stock condition survey.	Graeme Cooke	A comprehensive stock condition survey has been completed and the results are being used to inform the long-term stock investment programme for council homes. The insights from this work informed the annual update to the 30-year HRA business plan which was approved by Cabinet in February 2019. During the last quarter, a series of further, more specialist asset reviews have been kicked off (considering the council's operational buildings, commercial portfolio and sheltered housing stock).
Ensure all existing council housing meet the Decent Homes standard.	Graeme Cooke	The council met its target to achieve the Decent Homes standard on internal elements of its housing stock by April 2019 and is aiming to achieve decency on external elements by April 2020. Plans for the stock investment programme were agreed by Cabinet in February 2019, alongside the updated 30-year HRA business plan.
Deliver on-going Tower Blocks safety improvement works.	Graeme Cooke	All blocks have received Health and Safety inspections and type 3 intrusive fire risk assessments. A Fire Safety Policy Annual Report has been agreed by Cabinet, which further strengthens the fire safety management of blocks.
Lead the development of a 'Green Capital of the Capital' Strategy, incorporating the future direction of B&D Energy and rollout of Beam Energy.	Graeme Cooke	Beam Energy launched earlier in the year, offering gas and electricity to local people at competitive prices – with the focus now on increasing take up and securing the most competitive tariffs. The Cabinet has approved an updated business plan for B&D Energy which will see the development of a strategically significant district heat network in Barking Town Centre providing heat to around 8,000 households (subject to a successful bid for £5m from central government to support the scheme).

Embed a performance challenge process for the corporate performance framework.	Claire Symonds	Challenge sessions continue to be held and lead by the Cabinet Member of Finance, Performance & Core Services – work is being done to refine the reporting to these.
