

## A Definitions

### A.1 Scheduled bodies

Scheduled bodies have an automatic right, and requirement, to be an employer in the LGPS that covers their geographical area. Therefore, scheduled bodies do not need to sign an admission agreement. Scheduled bodies are defined in the LGPS Regulations 2013 in Schedule 2 Part 1. Common examples of scheduled bodies are Unitary Authorities, Police and Fire Authorities and Academies.

### A.2 Admitted bodies

Admitted Bodies either become members of the LGPS as a result of a TUPE transfer or following an application to the Fund to become an employer in the scheme. In both cases, their admission is subject to the body meeting the eligibility criteria and an admission agreement being signed by all relevant parties.
