Dear Councillors

Urgent Action under Paragraph 4, Chapter 16, Part 2 of the Constitution – Sport and Leisure Management Support Package

I am writing to you in your respective capacities to advise that I have taken urgent action under the provisions of Part 2, Chapter 16, paragraph 4 of the Constitution in order to approve a package of financial measures to support Sport and Leisure Management Limited (SLM) during the Covid-19 pandemic.

As the attached report explains, the package of financial measures includes the temporary suspension of the management fee payments due from SLM to the Council, a 50% contribution to essential building maintenance costs while facilities are closed to the public and a loan of £241,000 to cover staff salary costs pending reimbursement from the Government under the Coronavirus Job Retention Scheme. It is this latter aspect in particular that requires a decision as soon as possible, as the April payroll is due to be run in the middle of next week.

In view of the urgency, I have agreed that it is in the Council's best interests to deal with the matter under the Urgent Action provisions. This letter also acknowledges your agreement to the implementation of the Special Urgency arrangements as set out in Part 2, Chapter 17, paragraph 15 of the Constitution as the matter, which qualifies as a 'key decision', had not been publicised in advance on the Council's Forward Plan in accordance with the Local Authorities (Executive Arrangements) (Meetings and Access to Information) (England) Regulations 2012.

In line with procedures, details of this urgent action will be reported to the next meeting of the Cabinet on 21 April 2020.

Yours sincerely,

Chris Naylor
Chief Executive
