Lime Green Events
WeAreFSTVL 2020

10/06/20

We are an independent family run business that operates a very large amount of Pre Planned and Emergency Rail Replacement on behalf of TFL along with a large number of public bus services across Essex & London alongside rail replacement, emergency rail replacement and strike cover for C2C, DLR, Govia and Abellio across the South East.

Ensignbus has worked with Lime Green Events since the inception of WeAreFSTVL in 2013 providing transport to and from the event. We work with Lime Green Events & C2C to provide a safe and efficient transport plan which has grown along with our partnership over the past 7 years.

As the size of the event has grown Lime Green Events and ourselves have worked closely together to identify the demands of our customers and enhance the transport plan as necessary. This starts with a meeting post show to identify any improvements that need to be addressed for the following year, We then move on to the planning making sure we have a secure transport plan ready for the start of show and communication continues until the last customer arrives at their destination safely.

The main bulk of the operation which will be for Egress only is between Yew Tree Avenue and Barking Station, Yew Tree Avenue is part of an industrial area with ample room for the buses with little or no disturbance to private properties. We have previously operated a shuttle from this location for Secret Cinema.

We look forward to supporting We Are FSTVL in 2020 and many more years to come.

Jon Lupton
Commercial Manager
