a) General – all four licensing objectives (b, c, d and e) (please read guidance note 10)

1 All staff shall be suitably trained for their job function for the premises. The training shall be written into a programme ongoing and under constant review and shall be made available to a relevant responsible authority when called upon.

2 Alcohol shall be supplied to seated customers only; there shall be no vertical consumption of alcohol on the premises at any time.

b) The prevention of crime and disorder

3 A properly specified and fully operational CCTV recording system shall be installed, operated and maintained. The system shall incorporate a camera covering each of the entrance doors and be capable of providing an image which is regarded as 'identification standard' of all persons entering and/or leaving the premises. The CCTV system shall be in operation at the premises at all times when the premises are used for the provision of licensable activity. All CCTV recordings shall be securely stored for a minimum of one calendar month. A staff member from the premises who can operate the CCTV system shall be on the premises at all times when the premises are open to the public. This staff member shall be able to show Police recent data or footage with the absolute minimum of delay when requested. Signage indicating that a CCTV recording system is in operation shall be displayed prominently in the premises.

4 The premises licence holder shall uphold a zero tolerance policy in relation to illegal drugs.

5 Any person entering the premises who appears to be under the influence of alcohol or illegal drugs shall in the interests of other members of the public using the premises be requested to leave the premises.

6 A premises incident book shall be kept at the premises. This book shall be maintained and kept for a rolling period of 12 months. The incident book shall record all incidents which may have occurred which are relevant to the supply of alcohol and the promotion of the licensing objectives. Such incidents shall include, but not be limited to, complaints made to the premises alleging nuisance or anti-social behaviour by persons attending or leaving the premises and all refusals to sell alcohol. The incident book shall be readily available for inspection by an authorised person upon reasonable request.

7 Super-strength lagers, beers and/or ciders, i.e. those with an ABV of 6.5% or higher, shall not be sold at the premises.

9 No accumulation of combustible rubbish, dirt, surplus material or stored goods shall be permitted to remain in any part of the premises except in an appropriate place and of such quantities so as not to cause a nuisance, obstruction or other safety hazard.

10 Regular checks and maintenance shall be carried out on all equipment, electrical installations, emergency lighting and fire alarms and equipment to ensure their continued safe operation. A written record of these checks shall be kept and made available to an authorised officer of the licensing authority.

11 The premises licence holder shall ensure that a suitable fire risk assessment and emergency plan is in place at all times.

d) The prevention of public nuisance

12 External seating shall be monitored frequently.

13 Signage requesting customers to be respectful of others when entering or leaving the premises shall be installed in a prominent position by the premises' exit.

14 Between the hours of 21:00 and 07:00 no waste/glass bottles shall be moved or deposited outside.

15 The premises' frontage shall be regularly monitored to keep it clean and clear of litter.

16 Arrangements shall be put in place to ensure that waste collection contractors do not collect refuse between 19:00 and 07:00.

e) The protection of children from harm

17 A Challenge 25 proof of age scheme shall be operated at the premises where the only acceptable forms of identification are the following recognised photographic identification cards: a driving licence, a passport, a military identification card or a Proof of Age card carrying a 'PASS' hologram.

18 All occasions when persons have been refused service shall be recorded in the incident book.

If the document is not a passport, a copy of the whole document should be provided.

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.

Home Office online right to work checking service

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.

- does not have the right to live and work in the UK; or
- is subject to a condition preventing him or her from doing work relating to the carrying on of a licensable activity.

Any premises licence issued in respect of an application made on or after 6 April 2017 will become invalid if the holder ceases to be entitled to work in the UK.

Applicants must demonstrate that they have an entitlement to work in the UK and are not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity. They do this in one of two ways: 1) by providing with this application copies or scanned copies of the documents listed below (which do not need to be certified), or 2) by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below).

Documents which demonstrate entitlement to work in the UK
