Reason: For the avoidance of doubt and in the interests of proper planning

Condition 14: 90% M4(2) Accessible and adaptable dwellings and 10% M4(3) Wheelchair adaptable dwellings_

Ninety percent (90%) of the residential units hereby permitted shall be constructed to achieve Building Regulation M4(2) 'Accessible and adaptable dwellings' standards and ten percent (10%) of the residential units hereby permitted shall be constructed to achieve Building Regulation M4(3) 'Accessible and adaptable dwellings' standards (wheelchair adaptable units). 4no. Dwellings within block F2 will be constructed to achieve Building Regulation M4(1) 'Accessible and adaptable dwellings'

The final layout of all the M4(3) is to be approved in writing by the Local Planning Authority for that Phase/Sub-Phase prior to any above ground development within that Block.

A. The details submitted under condition 20/00423/CDN are considered sufficient in respect of Phase 2 Block C1

The development shall then be carried out in accordance with the approved details. Minor variations may be agreed in writing by the Local Planning Authority.

Reason: To ensure that accessible housing is provided.

Recommendation:

1. The Officer recommendation remains unchanged.
