	9	Review referral data to the VS LVWS & CYP teams in order to focus activity appropriately on those groups that are currently under represented by referrals to VS but are disproportionately affected by crime	Reduction in repeat victimisation	Laurence Piemonte	Victim Support	Ongoing	Ongoing	N/A		<b>6 Monthly Update (February 2021)</b> This financial year Victim Support have been working with the MPS to improve the quality of ethnicity data that is receive through the Automatic Data Transfer process. In Q3 Victim Support began receiving self-defined ethnicity data and not officer defined data, this maps in to the case management system and will enable Victim Support to understand better the ethnicity of referrals received in to the LVWS and CYP services.		

10	Work with partners including the LVWS to increase referrals in to the VS CYP team	Reduction in levels of offending/ repeat offending	Laurence Piemonte	Victim Support	Ongoing	Ongoing	All Partners		<b>6 Monthly Update (February 2021)</b> Referrals in to the CYP team have been affected this financial year due to the impact of Covid, particularly the closure of schools and more limited opportunities for face to face work. Despite this referrals in to the CYP service have seen a 5.71% increase between Q3 19/20 and Q3 20/21. To ensure children and young people receive support they need during the impact of Covid, the CYP caseworkers and Youth Advocates have been providing virtual indirect support to under 13 year olds through their parent / carer and for those 13 and over virtual support session have been developed and are working well. In addition to this the CYP service has developed walk and talk sessions for 13 and above years olds, when schools are closed to deliver face to face support if it is assessed as essential that young person requires face to face, as otherwise they would disengage in the service.		
	11	To work with the MPS and BTP to increase referrals from specific crime types particularly those that involve violent crime or the use of a bladed article OR To work with community and grassroots organisations to increase referrals from those communities currently under represented both in terms of reporting crime and in accessing support services	Identify data and intelligence to inform services response to serious violence	Laurence Piemonte	Victim Support	Ongoing	Ongoing	MPS/ BTP	<b>6 Monthly Update (February 2021)</b> In terms of more serious crime types Victim Support have seen a 8.58% increase in referrals in the 12-months between January 20 and December 20. In terms of working with community and grassroots organisations to increase referrals from under represented communities challenges have arisen due to the impact of Covid on engagement and partnership building therefore Victim Support are adapting their community engagement in line with London restrictions.
