

HEALTH SCRUTINY COMMITTEE

3 November 2021

Title: Engagement On St George's Hospital Development	
Report of the North East London Clinical Commissioning Group (NEL CCG)	
Open Report	For Information
Wards Affected: All	Key Decision: No
Report Author: Melissa Hoskins, Head of Communications and Engagement (BHR), North East London Clinical Commissioning Group (NEL CCG)	Contact Details: Tel: 020 3182 2922 E-mail: Melissa.hoskins@nhs.net
Accountable Director: Ceri Jacob, Managing Director, BHR Integrated Care Partnership, NEL CCG	
Accountable Strategic Leadership Director: Henry Black, Accountable Officer, NEL CCG	
Summary North East London CCG is working with NHS and social care partners on proposals for the development of a Health and Wellbeing Hub on the former St George's Hospital site in Hornchurch, Havering. In 2019, the Prime Minister announced that the NHS was to receive £17 million to take forward plans for the new health and wellbeing centre at the former St George's Hospital site in Suttons Lane and health and care partners are working together to plan much needed integrated community-based health services in Havering. Health and care partners have since been working in collaboration on the Outline Business Case for the development. Members are asked to note the plan for a 12-week period of public engagement, starting in November 2021, to allow people across Barking and Dagenham, Havering and Redbridge to share their views on the proposals.	
Recommendation(s) The Health Scrutiny Committee (HSC) is recommended to note the report provided by the CCG, and the engagement approach proposed. Following the information provided, the HSC should discuss any issues that need further exploration with NHS representatives.	
Reason(s) This report is for noting. NHS representatives will be present at the meeting to answer questions about the proposed engagement approach.	

Public Background Papers Used in the Preparation of the Report:

- Announcement on £17 million funding allocation for the St George's Hospital redevelopment: <https://www.haveringccg.nhs.uk/havering-news/plans-for-new-health-and-wellbeing-centre-in-havering-get-17-million-boost/87557>
