Summary <p>The Equity and Equality Assessment report contains useful metrics on health outcomes, community assets and staff experience. The report will be used to produce an action plan to bring services into alignment with the integrated care system. The aim will be to improve neonatal care by ensuring equity for mothers and babies from Black, Asian and Mixed ethnic groups and those living in the most deprived areas.</p> <p>The report will also be used to produce a plan to improve race quality among maternity staff.</p>		
Recommendations <p>The Health and Wellbeing Board is asked to note the report.</p>		
Reasons for report <p>BHRUT is committed to keeping all stakeholders informed of its plans and objectives and to invite comment and discussion on all aspects of its activities.</p>
