1. Corporate Performance Assessment Performance Indicators

Received a report setting out an action plan for The Management Team to improve the critical Performance Indicators (PI) that constitute the Corporate Performance Assessment (CPA) service scores on all areas of council services. The Action Plan also contained information on the latest performance on each of these indicators where available.

Agreed to support the emphasis set out in the Action Plan across the critical basket of CPA Performance Indicators in order to improve performance on those areas that positively impact upon the CPA score.

2. Home Office Consultation Paper - Policing: Building Safer Communities Together

Received a report summarising the proposals contained within the Government's consultation paper on policing - *Building Safer Communities Together*, which looks at modernising and reforming the Police Service through developing strong connections between local communities and the Police.

Agreed that a final response be drafted and agreed by the Leader and Lead Member for 'Making Barking and Dagenham Cleaner, Greener and Safer', Councillor McKenzie, in order to convey this Council's views on the strategic functioning of a reformed Police Service, and how its impact upon crime and disorder in Barking and Dagenham can be maximised.

We have also placed on record our thanks to the Community Safety team for their work in helping to reduce crime and the fear of crime in the Borough.

Received a report outlining the actions required to the Mayor, Members' and Fleet Transport service in order to achieve, as far as possible, the budgetary savings agreed at that time of £10,000 in the current financial year and up to £70,000 from 2004 / 2005 onwards.

Noted that the current year's savings can be met through better budgetary controls, but, in order to save an estimated total of £53,500 in the coming year from the budget in question.

Agreed, that with effect from the new financial year:

1. The in-house Members' transport service cease (except for civic functions) but that special arrangements are made through a local mini cab firm for those Members who are eligible for a Disabled Blue Badge, as set out in Option 2 of the report; and
2. The Members' home delivery service be reduced to Fridays only.
