Dear Mr Farrent

**Re: Frizlands Civic Amenities Site – Rainham Road North Dagenham –
Redevelopment and Reorganisation – DC/02/00564/FUL**

As the Chief Executive Officer and Managing Director of East London Waste Authority we feel that you are best placed to receive the enclosed copy of petition.

As you may be aware complaint has lead to negotiations with Local Authority officials, Shanks east London, local MPs and Councillors. Unfortunately progress is slow and we submit this petition to show our commitment in ensuring that the Local Authority investigates the matter in accordance with their code of corporate governance, local policy and Government Policy.

The original petition is being held for a more formal use and continuing collection of signatories, but is available for viewing should you require.

We shall await your reply in anticipation.

Yours sincerely
