## Changes from the original policy

There have been a number of changes to the original policy that was first adopted in 2005. These changes derive from two sources, firstly because of legislative and administrative changes and secondly following comments made during internal consultation with officers, the Police and the portfolio holder and chair of the Licensing and Regulatory Board. The Government has instructed that reviews of licensing policies should proceed even though it has recently consulted on the licensing process and is likely to make changes in the coming months. This summary draws out those changes made following consultation:
