SECTION F – THE LIVING AND WORKING SELECT COMMITTEE

1 Scrutinising matters relating to the provision of housing, public realm, the environment, regeneration, business, jobs and skills within the borough.

2 Exercising its statutory duty and power to scrutinise and report on matters relating to flood risk management in line with the Flood Risk Management Overview and Scrutiny Committee (England) Regulations 2011.

3 Working with the Council and other partners to secure the continuous improvement of the matters set out in paragraph 1.

4 Encouraging the Local Strategic Partnership as a whole to take into account the implications of their policies and activities on the issues covered by the Committee’s remit.

5 Having regard to any related equalities and diversity issues.

6 Undertaking in-depth reviews into living and working issues that require detailed investigation, as appropriate.

7 Making recommendations for future policy and practice to any department, organisation or body responsible for delivering or influencing the delivery of services in the borough relating to the Committee’s remit, on the basis of evidence gathered during in-depth reviews.

8 Presenting this evidence and these recommendations in the form of final reports to the Cabinet for comment to the Assembly for agreement.

9 Alerting the relevant department, organisation or body of any recommendations agreed by Assembly and monitoring progress against implementation of these recommendations after six months.

10 Monitoring of performance indicators that fall within the remit of the Select Committee.

11 Addressing any Call-Ins or Councillor Calls for Action as allocated by the Authority’s Designated Scrutiny Officer, in accordance with Articles 5A and 5B.

12 Considering petitions in accordance with the Council’s Petition Scheme which can be found on the Council’s website at:

   http://www.lbld.gov.uk/CouncilandDemocracy/Information/Pages/Petitions.aspx

13 In all the above, seeking to take account of the views of local people.
